- Gospel Oak to Barking
- Highbury & Islington to New Cross / Crystal Palace / West Croydon / Clapham Junction

London Overground and TfL Rail are part of the National Rail network and the National Rail Conditions of Travel apply for journeys made on them unless we say otherwise in this Guide.

When you travel on our London Overground and/or TfL Rail services, when using pay as you go or a free travel concession or having bought a ticket, you enter into a legal agreement with us. The National Rail Conditions of Travel are part of that agreement and apply to all journeys by scheduled passenger trains of the Train Operating Companies on the National Rail network.

For the purposes of these Conditions, 'we' and 'us' mean London Overground and/or TfL Rail. 'You' means any customer holding a ticket, an Oyster card with a season ticket, pay as you go credit or a free travel concession on it or a contactless payment card and who is using London Overground and/or TfL Rail stations and trains.

This Guide sets out your rights and responsibilities as our customer, in addition to those set out in the National Rail Conditions of Travel. This Guide sets out your rights and responsibilities as our customer. When you use our stations, services and facilities, you are also subject to other byelaws and regulations as set out in Appendix 2.

We've tried to make this Guide simple and easy to understand. Some words have a specific meaning and these are set out in Appendix 4.

If you would like to get in touch, our contact details are shown in Appendix 3.

This Guide replaces all previous versions published by TfL and its predecessors. It comes into force from the date shown on the front and will remain in force, with any amendments that we may make from time to time, until we republish them. The most up-to-date version is available at tfl.gov.uk/terms

Our staff and agents have no authority to make individual exceptions to this Guide.

2. Our services

2.1 We always try to run reliable services. Sometimes our regular services have to change at short notice for reasons beyond our control or that of our contractors. For up to date information on any changes or cancellations, you should check online at tfl.gov.uk/status-updates or call TfL Customer Services on 0343 222 1234.

2.2 You can use any of our services if you have a valid ticket, a validated Oyster card with pay as you go credit to pay for the whole of the journey you are making, an Oyster card set with Auto top up, a validated contactless payment card, a permit to travel, free travel concession or other travel authority.

2.3 We want to make sure that all your journeys are safe. We reserve the right to close stations (or parts of them) and to require you to leave a train or station at any time. You must follow instructions given by our staff.

2.4 You must not do anything forbidden by our Byelaws or by the Conduct Regulations.

2.5 On our trains and in our stations you must not:

- smoke or use an electronic cigarette ('vape')
- use bicycles, roller skates, roller blades, scooters, skateboards or hoverboards
- take flash photographs and/or use a tripod or other camera support equipment
- use emergency exits except in an emergency or when instructed to do so by our staff.

You may be prosecuted for disobeying these requirements.

2.6 On our trains and in our stations, you must not:

- consume alcohol
- be in possession of an open container of alcohol

You may be prosecuted if you disobey these requirements.

Our trains have on-board CCTV cameras and our stations are also monitored by CCTV cameras.

CCTV images are recorded for the purpose of crime prevention, detection, legal proceedings and public safety. Some staff may wear body worn cameras and make use of audio recordings. Images (and where held, audio recordings) of alleged offenders may be passed to the police and be used in a court of law.

3. Oyster cards, contactless payment cards and other smartcards

3.1 General information

3.1.1 If you are using an Oyster card, it must have either credit to pay as you go or a valid season ticket on it. If your season ticket doesn't cover the journey you are making, you may be able to use pay as you go for that part of your journey. If not, you must buy a paper ticket for that part of your journey not covered by your season ticket.

If you are using a contactless payment card to pay as you go, you can only travel if your card is accepted.

3.1.2 If your Oyster card only has pay as you go credit at adult rate on it, you can lend your card to someone else, even if it is registered in your name. They must carry the Oyster card with them when travelling.

If you have a season ticket on your Oyster card, you cannot lend or transfer it to anyone else.

If you have an Oyster photocard or Oyster card with a discount on it, you cannot lend or transfer it to anyone else. If you do, we may withdraw the Oyster photocard and you may forfeit the right to any refund on the unused value of your season ticket, pay as you go credit and/or the deposit. The person using your Oyster photocard or Oyster card may be subject to a penalty fare and/or prosecution.

3.1.3 We reserve the right to prevent the use of your Oyster, smartcard or contactless payment card for travel. We may withdraw or cancel your Oyster card if it is misused or if it is used in a way that is not permitted by this Ticketing and Travel Guide. It may not be returned whether or not the misuse was by the registered holder of the card and you may forfeit the right to any refund on the unused value of any season ticket or pay as you go credit and deposit.

All Oyster cards remain the property of TfL and must not be intentionally damaged, altered or tampered with in any way.

We may withdraw or cancel any Oyster card at any time. Where, for whatever reason, your Oyster card is cancelled without you being informed, you will need to call TfL Customer Services to find out why TfL have done so and what to do next.

3.2 Registered Oyster cards and online accounts for contactless payment cards

If you want to protect your season ticket or pay as you go credit against loss or theft, you should register your Oyster card. You must go online and create an Oyster and contactless account and add your Oyster card to it. Before you do, you will need to have made at least one journey with your Oyster card so you can complete the online process.

If you complete a season ticket form at a ticket office, you will be asked to choose a password. You will need to use this password for the security answer if you later create an online account.

If you want to buy a season ticket for longer than one month at a ticket office, you must complete a season ticket form.

You must always register your Oyster card if you are using it in conjunction with a photocard which gives you a travel concession.

All Oyster photocards are registered as part of the application process.

Special registration conditions apply to smartcards issued by other organisations that can be used to travel on TfL services.

If any of your details change after you register your Oyster card, you must update them online or call TfL Customer Services.

You must keep your account details secret and not share them with anyone. You should take all reasonable precautions to prevent unauthorised or fraudulent use of them.

If, when creating an online account you do not provide accurate personal details, you may not pass any future ID verification checks. If we are not satisfied as to your identity, we may not be able to provide you with any support, including providing refunds.

Once an Oyster card is registered in your name, it will remain in your name and we will only be able to deal with you about any enquiries about the Oyster card. You will still be responsible for the Oyster card and any use made of it. We will not accept responsibility for any losses arising out of the transfer and use of your Oyster card.

3.3 Unregistered Oyster cards. You do not need to register your Oyster card if you are only buying an adult-rate 7 Day season ticket and/or adding pay as you go credit. If your card is not registered or you do not have an online account, we are not able to provide any information about the card to you.

If your card is not registered and you lose it or it is stolen, you will not be able to get a refund on any season ticket or pay as you go credit. Also, we will not provide any information about the card to you.

If you have an unregistered Oyster card that you no longer need, you may be able to get a refund of your pay as you go credit and any deposit from a ticket machine (if the pay as you go balance is not more than £10) or you can send it to us for a refund.

If you contact TfL Customer Services for any refund, you may be asked to provide your name, address and other details for administration purposes.

3.4 Online accounts for contactless payment cards

If any of your personal details change after you have created an online account, you must sign in to your account and update them.

3.5 Card deposit. You have to pay a deposit to get an Oyster card. This deposit will be refunded if you return the original card to us or TfL when you no longer need it. You may be asked to provide proof of your name and address.

If your Oyster card has a negative pay as you go balance when you return it to us, you will be asked to clear it before we refund the deposit.

If the pay as you go balance on your card is £10 or less, you can get a refund of it and any deposit at Underground, London Overground and TfL Rail station ticket machines. Once you have done this, your card will be stopped

3.6 Duty to show your Oyster card, smartcard or contactless payment card. You must be prepared to show your Oyster card (and supporting photocard, if needed), Oyster photocard, smartcard or contactless payment card on each journey, whenever we ask you to do so. If you fail to do so you may be liable to pay a penalty fare or you may be prosecuted.

3.7 Using a season ticket on your Oyster card or smartcard

3.7.1 When you use London Overground and/or TfL Rail services, you must touch your Oyster card or smartcard on the yellow card reader at both the start and the end of your journey. If the ticket gates at stations are open you must still touch your card on the yellow card reader.

Provided your season ticket on your Oyster card or smartcard is valid at the time you travel, you can still use it at stations where there is no yellow card reader or if the reader is not working. You may be asked to show your Oyster card (and photocard where needed) or smartcard.

You can use the season ticket on your Oyster card or smartcard provided it is valid at the time you travel and any pay as you go balance is not in debit. If you have a negative balance, you must add credit to clear it before you next use your season ticket.

3.7.2 If your season ticket only covers the start or end of your journey, or only an intermediate section of it, you may be able to use pay as you go for that part of your journey not covered by your season ticket or you must buy a ticket.

3.7.3 If your Oyster card has more than one Travelcard season ticket on it and they are valid on the same date(s), you must ensure that your tickets cover all the zones you travel through at all times.

3.7.4 If you buy an adult rate Annual Travelcard on Oyster, we will issue you with a Gold Record Card. You must show your Gold Record Card and Oyster card when buying a discounted ticket and have it with you whenever you travel. You don't need to show your Gold Record card to have the Gold Card discount set on your Oyster card provided staff can see that your Oyster card holds a valid Annual Travelcard.

3.8 Paying as you go on with your Oyster or contactless payment card

3.8.1 You can use an Oyster or contactless payment card to pay as you go on bus, Tube, tram, DLR, London Overground, TfL Rail, Emirates Air Line and Thames Clippers River Bus services. You can also use an Oyster or contactless payment card on National Rail services where pay as you go is accepted (standard class only).

You can only use a contactless payment card to pay as you go on between West Drayton and Reading. You cannot use an Oyster card.

3.8.2 An Oyster or contactless payment card can only be used for pay as you go travel by one person at a time. You may pay another person's pay as you go fare with your contactless card only if they are travelling with you and you have paid your fare by another means.

3.8.3 You must carry your Oyster or contactless card with you at all times when travelling.

3.8.4 To pay the correct fare, you must always touch in and out (touch in only on bus and tram) using the same single card or device. For example, if you touch in with your phone and touch out with your watch or contactless bankcard, you will be charged for two separate incomplete journeys.

If using a mobile phone or other contactless device, you must have sufficient battery (charge) to complete your journey.

3.8.5 To check individual journey fares, you should use TfL's single fare finder. To find out more about fares, go to tfl.gov.uk/fares

3.8.6 To record the start of your journey, you must touch your Oyster or contactless payment card flat on a yellow card reader at the station as you enter the compulsory ticket area.

Your card will be accepted if your pay as you go balance is at least the minimum fare from the station. Before travelling you must have either sufficient pay as you go credit for the whole of your journey, or else Auto top-up set on your card.

If you are using an Oyster card, a charge, set by TfL, will be deducted from the balance on your card.

If you are using a contactless payment card, a check will be made to ensure that it is valid for travel. When you touch your contactless payment card on a yellow card reader, or a portable card reader held by staff, you are giving authorisation for the cost of your journey, including any maximum fares or unpaid fares, to be charged to your associated card account.

To record the end of your journey, you must touch your Oyster or contactless payment card flat on a yellow card reader at the station as you exit the compulsory ticket area. The deduction made from your Oyster card at the start of your journey will be adjusted so that you only pay the advertised pay as you go fare for the journey made.

If you do not touch in at the start and touch out at the end of your journey, you may be charged a maximum fare and this journey will not be included in any daily capping. You may also be liable to a penalty fare or you may be prosecuted.

Your pay as you go journey must be completed by touching out at the end of your journey within a time limit from when you first touched in. The time limit varies between 70 minutes for a one zone Monday to Friday daytime journey up to 5 hours and 15 minutes for a longer distance journey on a Sunday or public holiday. If the time between touching in at the start and touching out at the end of your journey is more than the applicable time limit you will be charged a maximum the pay as you go fare for your journey. If this happens, we may in some instances correct this over-payment automatically. Otherwise you will need to sign into your online account and request a refund on any over-payment. You can do this online up to three times in a month. You can also do this by calling TfL Customer Services so that they may, depending on the circumstances for the journey having taken longer than the appropriate time limit, refund any over-payment.

You must touch in and out with your Oyster or contactless payment card in the same way for journeys to and/or from London Underground, DLR or National Rail stations within the pay as you go area. There is no need to touch your Oyster card on a yellow card reader again when transferring within the same station. If you are transferring from London Overground/TfL Rail to a National Rail service where pay as you go isn't accepted, you must touch out at the station where you transfer to complete your pay as you go journey.

If you enter and leave the same station without making a journey, we may charge you a fare up to a maximum fare.

If you enter at one station and do not touch out at another, we may charge you a fare up to a maximum fare.

3.8.7 Paying as you go on the Emirates Air Line

When you pay as you go on the Emirates Air line, you must touch your Oyster or contactless payment card on the yellow card reader as you enter and exit the Emirates Air Line terminal. If you travel without having correctly touched in and out on the yellow card reader, or having bought a boarding pass, you may be liable to a penalty fare or you may be prosecuted.

3.8.8 Paying as you go on with Oyster on Thames Clippers River Bus services

When you pay as you go on Thames Clippers River Bus services, you must touch your Oyster or contactless payment card on the yellow card reader at the start of your journey when instructed to do so by a member of Thames Clippers staff. You must also touch out at interchanges and at the

end of your journey. If you do not touch in at the start and touch out at the end of your journey, you may be charged a maximum fare.

3.9 Yellow card readers

An amber light means that the yellow card reader is ready to check your Oyster or contactless payment card. If, before you touch your card on a yellow card reader, it has a red light or no light at all, it is not working. If this is the case, you must use another yellow card reader that is.

When you touch your Oyster or contactless payment card flat on a yellow card reader, a green light, accompanied by one beep (more than two beeps for 5-10 and 11-15 Oyster photocard) means that it has been accepted for travel. A red light, accompanied by two beeps, means your Oyster or contactless payment card has been rejected. You must not go further until your Oyster or contactless payment card has been accepted for travel, you have used another card that is accepted or you have paid separately for your journey.

You cannot start or finish a journey using a yellow card reader on a ticket machine.

3.10 Pink card reader

Pink card readers are located at a number of interchange stations. They tell us which route you've taken so we can charge you the right fare.

If you pass a pink card reader when changing from one train to another, and you are using your Oyster or contactless payment card to pay as you go for any part of your journey, but not starting or finishing your pay as you go journey at the station concerned, you must touch your card on the pink card reader to ensure you pay the appropriate pay as you go fare for the route you are taking. If using a Travelcard that does not include Zone 1, you must also touch your card on any pink card reader that you pass when changing trains to ensure you do not pay an extension fare.

You must still touch in on a yellow card reader at the start of your journey and touch out at the end to ensure you pay the correct pay as you go fare and avoid paying a maximum fare.

3.11 Daily and Weekly (Monday-Sunday) capping

Once you have reached a daily cap or a weekly (Monday-Sunday) cap, you must continue to touch your Oyster or contactless payment card on a yellow card reader at the start (and end where appropriate) of every journey. If you don't, you may pay too much, be liable to a penalty fare or you may be prosecuted.

The following will not count towards any daily or weekly cap:

- pay as you go journeys to or from stations Iver - Reading
- pay as you go journeys on the Emirates Air Line and Thames Clippers River Bus services
- pay as you go journeys on Gatwick Express and Heathrow Express services
- pay as you go journeys on Southeastern high speed services between St Pancras and Stratford International
- tickets for Crown River and TRS services bought using pay as you go credit

3.12 Data Protection

If you have registered your Oyster card or created an online account for your contactless payment card, you agree to us holding personal information about you and using it as described below. You can find more information about how TfL handles your personal information

3.13 Retention of personal travel data

The TfL ticketing system retains details of the journeys made using your Oyster card for eight weeks: after this time it is de-personalised. Journey data from use of your contactless payment card is retained for up to 13 months, after this time it is de-personalised.

3.14 How we use your personal information

TfL, its subsidiaries and service providers, will use your personal information for the purposes of customer services and administration, the provision of travel related information, customer research and fraud prevention. If you use your Oyster or contactless payment card in connection with National Rail products or services, or London river services, you will also be authorising TfL to share your personal information with relevant Train Operating Companies (TOCs) and river service operators so that they can use it for the same purposes.

In certain circumstances, TfL, relevant TOCs and river service operators may also share your personal information with the police and other law enforcement agencies for the purposes of the prevention or detection of crime.

If, having used your contactless payment card for travel, you check your journey and charging data without creating an online account, you will need to enter your contactless payment card number, expiry date, card security code and billing address each time you check your journey and payment history. TfL will use the information you provide to carry out an authorisation check with your card issuer and will not use or retain it for any other purpose.

If you hold an Oyster photocard, your personal information will also be used or shared for additional purposes, for example to ensure your ongoing eligibility for your free or discounted travel or to enforce the behaviour code. You are advised to check tfl.gov.uk/privacy regularly for the most up to date information. Where substantial changes are made (or intended to be made) to the way TfL handles your personal information, we will let you know.

4. Photocards and Oyster photocards

4.1 All TfL photocards and Oyster photocards remain the property of TfL and must not be intentionally damaged, altered or tampered with in any way. If they are, we may withdraw or cancel your photocard or Oyster photocard at any time.

You cannot lend or transfer an Oyster photocard or Oyster card with a discount on it to anyone else. If you do, we may withdraw the Oyster photocard and you may forfeit the right to any refund on the unused value of your season ticket, pay as you go credit and/or the deposit. The person using your Oyster photocard or Oyster card may be subject to a penalty fare or prosecution.

4.2 National Rail photocards remain the property of National Rail and are valid for use with printed tickets bought for use on London Overground or TfL Rail.

4.3 5-10 Oyster photocards are available for anyone aged 5 to 10 years. You need a 5-10 Oyster photocard to travel free on Tube, DLR, London Overground and TfL Rail services unless you are accompanied by an adult (see 7.2.4). You cannot use your 5-10 Oyster photocard to travel on between West Drayton and Reading.

You need a 5-10 Oyster photocard to travel free on most National Rail services within the pay as you go area, regardless of whether you are accompanied by an adult.

You do not need a 5-10 Oyster photocard to travel free on TfL buses and trams unless you look older.

4.4 11-15 Oyster photocards are available for anyone aged 11 to 15 years (under 16 on 31 August prior to the start of the current academic year).

On London Overground and TfL Rail, you may use child-rate single and return tickets and Day Travelcards without the need for an 11-15 Oyster photocard.

You cannot use your 11-15 Oyster photocard to travel between West Drayton and Reading.

If you have an 11-15 Oyster photocard, it can be used until the expiry date shown on the photocard (even if you have turned 16 years old) for child-rate Travelcard season tickets and to pay as you go at child-rate.

If you do not have a valid 11-15 Oyster photocard, do not have it with you or it has stopped working or is damaged, you will need to pay the adult fare for your journey using an Oyster or contactless payment card.

4.5 16+ Oyster photocards are available for those who meet the eligibility criteria of the scheme. On London Overground and TfL Rail, you need a 16+ Oyster photocard to pay as you go at half the adult-rate and to buy and use child-rate Travelcard season tickets. You cannot use your 16+ Oyster photocard to travel between West Drayton and Reading.

If you have a negative balance on your 16+ Oyster photocard, you will not be able to travel until you add credit to clear the negative balance. You can do this at an Underground, London Overground or TfL Rail station, Visitor Centre or Oyster Ticket Stop and most National Rail stations.

To get the 16+ free or half-rate travel concession, you must carry your 16+ Oyster photocard with you and touch it on the yellow card reader when travelling. If you don't have it with you or it has stopped working or is damaged, you will need to pay the adult fare for your journey using an Oyster card or contactless payment card.

If you fail to touch in correctly or pay a fare, you may be liable to a penalty fare, you may be prosecuted or you may have your travel concession withdrawn.

4.6 Behaviour Code compliance. A Behaviour Code applies to the use of 5-10, 11-15 and 16+ Oyster photocard. If you do not comply with the Behaviour Code when on London's public transport network or premises, TfL may withdraw your 11-15 free bus and tram travel concession and may withdraw your 16+ Oyster photocard.

If you are an 11-15 Oyster photocard holder and TfL withdraw your free bus and tram travel concession, you can apply for a new 11-15 Oyster photocard without the free travel concession

and use it to buy child-rate Travelcard season tickets, reduced rate Bus & Tram Pass season tickets and to pay as you go at half the adult rate.

If you are a 16+ Oyster photocard holder and TfL withdraw your entire 16+ travel concession, you will have to pay adult fares for all your future journeys.

Your 11-15 or 16+ Oyster photocard may be withdrawn if you do not pay any penalty fare issued to you.

Behaviour Code for 5-10, 11-15 and 16+ Oyster photocard holders

- Behave in a way that we consider to be antisocial
- Commit any crime that affects our services, passengers, staff or property
- Breach the Conditions of Carriage, PSV Regulations (1990), GLA Act (1999) or any TfL Byelaw

4.7 18+ Student Oyster photocards can be used by students enrolled at participating universities, colleges and schools.

Any discounted season ticket that you have must not expire later than the date your 18+ Student Oyster photocard expires.

You are only eligible for the 18+ Student concession if you meet the scheme criteria. If you cease to be eligible, your 18+ Oyster photocard will not be valid and you must stop using it. You must tell

us and your university/college/school immediately. If you continue to use your 18+ Student Oyster photocard to buy and use discounted season tickets when you are not eligible, TfL will stop your Oyster photocard without notice, and you may be prosecuted. You may forfeit the right to any refund on the unused value of any season ticket or pay as you go credit.

You cannot use your 18+ Student Oyster photocard to travel between West Drayton and Reading.

4.8 Apprentice Oyster photocards can be used by apprentices on a SASE (Specification for Apprenticeship Standards in English) compliant apprenticeship that is delivered through a further education college or training organisation approved or funded by the Skills Funding Agency.

You are only eligible for the Apprentice concession if you meet the scheme criteria. If you cease to be eligible, your Apprentice Oyster photocard will not be valid and you must stop using it. You must tell us and your training provider immediately. If you continue to use your Apprentice Oyster photocard to buy and use discounted season tickets when you are not eligible, we will stop your Oyster photocard without notice and you may be prosecuted. You may forfeit the right to any refund on the unused value of any season ticket or pay as you go credit.

You cannot buy discounted season tickets for Apprentice Oyster photocards at London Overground or TfL Rail ticket offices.

You cannot use your Apprentice Oyster photocard to travel between West Drayton and Reading.

4.9 Jobcentre Plus Travel Discount Cards are issued by Job Centre Plus offices. Once you have set your Job Centre Plus Discount on an Oyster card, you can use child-rate Travelcard season tickets and reduced rate Bus & Tram Pass season tickets. You can also pay as you go at half the adult-rate, except between West Drayton and Reading.

4.10 60+ London Oyster photocards are available to London residents aged 60 and older and not yet eligible for a Freedom Pass.

If you hold a 60+ London Oyster photocard you can travel free on bus, tram, Tube, DLR, London Overground, TfL Rail and some National Rail* services at all times. You can also travel on National Rail from 0930 Monday to Friday and anytime on Saturdays, Sundays and public holidays (* see Note A1). You cannot use your 60+ Oyster photocard to travel between West Drayton and Reading.

4.11 Veterans Oyster photocards are available to those in receipt of an ongoing payment under the War Pensions Scheme or Guaranteed Income Payment under the Armed Forces Compensation Scheme. War widows, war widowers and dependants in receipt of the same payments are also eligible.

If you hold a Veterans Oyster photocard you can travel free on bus, tram, Tube, DLR, London Overground, TfL Rail and some National Rail* services at all times. You can also travel on National Rail from 0930 Monday to Friday and anytime on Saturdays, Sundays and public holidays (* see Note A1).

4.12 National Railcards are issued by London Overground, TfL Rail, Train Operating Companies and other authorised issuers under the National Rail Conditions of Travel. Information about them is available at London Overground and TfL Rail stations, at nationalrail.co.uk or National Rail stations. See clause 5.2.5 for information about the travel concessions if you set the Railcard discount on your Oyster card.

4.13 Your photograph. The photograph on your photocard or Oyster photocard must show your full face and must be a true likeness of you. It must be without a hat or other head covering unless the head covering is worn consistently for religious or medical reasons.

The serial number on your photocard must match the one shown on your printed season ticket or encoded on your Oyster card. If the numbers do not match, your ticket or Oyster card and accompanying photocard is not valid. We may withdraw them and they may not be returned for further use.

If your appearance has changed significantly, you must update your photograph. You must also replace it if it is damaged or illegible.

To update your Oyster photocard, you must go online and upload a new photo.

To update your photograph on your Jobcentre Plus Travel Discount card, you must ask your Jobcentre Plus Personal Advisor about replacing it. If you have an Oyster card, you will then need to go to an Underground, London Overground or TfL Rail station, Oyster Ticket Stop or Visitor Centre to update the details on your Oyster card.

To update the photograph on your Bus & Tram Discount photocard, you must get a new photocard at a London Post Office. You will then need to go to an Oyster Ticket Stop, Underground station, or Visitor Centre to update the details on your Oyster card.

5. Using tickets and travel concessions

5.1 Printed tickets

5.1.1 If you don't have pay as you go credit or a valid season ticket on an Oyster card, a contactless payment card to pay as you go, a valid permit to travel, free travel concession or other authority to travel, you must buy a printed ticket which covers the whole of the journey you are making before starting your journey.

Printed tickets issued for use on London Overground and TfL Rail are issued in accordance with the National Rail Conditions of Travel unless stated otherwise in this Ticketing and Travel Guide.

5.1.2 You must only buy printed tickets from an authorised outlet. If you buy a printed ticket from anyone else, it will be invalid, may be withdrawn and will not be returned for further use. It may also result in the seller and/or you being prosecuted.

5.1.3 If you do not pay the correct fare for the journey you are making, you may be liable to pay a penalty fare or you may be prosecuted.

5.1.4 Duty to insert printed ticket into ticket gate. You must insert your printed ticket into the ticket gate at the start and end of a London Overground, TfL Rail, Tube or National Rail journey.

5.1.5 Duty to show printed tickets. At stations where there are no gates, or where the gates are open or not in use, you must be prepared to show your printed ticket (and photocard, if needed) to a member of staff before starting or ending your journey. You must let a member of staff or a Police Officer examine it at any time during your journey if they ask you to do so. If you fail to do so you may be liable to pay a penalty fare or you may be prosecuted.

When you have finished using your printed ticket, you should destroy it or hand it in to one of our staff.

5.1.6 Platform tickets. If you intend to go into a compulsory ticket area, do not intend to travel and don't already have a valid ticket you must buy a printed platform ticket from the ticket office. It will be valid for 60 minutes from the time you buy it. Platform tickets cannot be used for travel.

5.2 Using travel concessions

5.2.1 If a photocard is needed, you can only use your ticket or Oyster card when you have your photocard with you. This also applies to Oyster photocards when used with a printed ticket.

If you are travelling free or at child-rate, our staff have the right to ask you about your age but will only do so where they have reasonable doubt about whether you are eligible for such travel.

If you have an Oyster photocard or Oyster card with a discount on it, you cannot transfer it to anyone else to use.

If you have an Oyster card or Oyster photocard with a discount on it, you can only use it if you have the appropriate supporting photocard or National Railcard with you at all times, including when you are buying a ticket or adding credit to pay as you go, irrespective of the service you are using.

5.2.2 Any season ticket you have must not expire later than the expiry date of the photocard which you are using it with or later than the expiry date of your Oyster photocard.

5.2.3 Children under 5 years old can travel free at all times on London Overground and TfL Rail when with a person aged 16 or older who holds a valid ticket or who is using pay as you go.

Up to four children aged 5 to 10 can travel free at all times on London Overground and TfL Rail services if accompanied by an adult. For this purpose, an adult can be anyone aged 16 or over using an adult rate ticket (not Group Day Travelcards), pay as you go or free travel concession.

Children aged 5 to 10 years travelling without an adult as defined above may travel free on London Overground and TfL Rail with their valid 5-10 Oyster photocard. Note that you cannot use your 5-10 Oyster photocard to travel between West Drayton and Reading.

Children aged 5 and under 11 travelling on services operated by other Train Operating Companies must buy a ticket for their journey before travelling.

5.2.4 National Railcard or Gold Card discounts

If you hold:

- a 16-25, 26-30, Senior or HM Forces Railcard and an Oyster card with the National Rail discount set on it, or
- an Oyster card which both holds an adult-rate annual Travelcard and has the associated Gold Card discount set on it, or
- an Oyster card on which a Gold Card discount has been set in association with a printed adult-rate annual Travelcard or National Rail point-to-point season ticket

your off-peak pay as you go daily cap will be a third off the equivalent adult-rate daily cap.

Individual off-peak pay as you go fares for journeys by Tube, DLR, London Overground, TfL Rail or National Rail will also be a third lower than the equivalent adult rate for the journey. These discounts are only available to the card holder. You must register your Oyster card by completing

a registration form or creating an online account. Once the discount is set on it, only you can use the card. You must carry your National Railcard with you at all times irrespective of the service you are travelling on and present it for inspection when asked.

If you hold a Railcard and are travelling with other people who are eligible for a discount on any printed tickets bought in association with your Railcard, the entire group, including you, must buy and use printed tickets.

If you hold a Disabled Persons Railcard and an Oyster card with the Disabled Railcard discount set on it, you can get a third off pay as you go fares and daily caps at any time.

If you have an Oyster card with your Disabled Railcard discount set on it, pay as you go credit loaded on it and are travelling with a companion who is eligible for a discount on any printed tickets bought in association with your Railcard, you, as the Railcard holder, may use pay as you go instead of buying a printed ticket.

If you hold an Annual season ticket (Gold Card) valid in Zones 1-6, either on an Oyster card or as a printed ticket, and you wish to travel with a companion holding an Off-peak Day Travelcard bought at a discount in association with your Gold Card you, as the Gold Card holder, do not need to buy a separate ticket. If the journey you are making isn't covered by your Gold Card, then you must buy a ticket before you travel.

5.3 Paying for tickets and adding credit to your Oyster card. Information about the fare you should expect to pay and how you can buy tickets and put pay as you go credit on your Oyster card is at tfl.gov.uk/fares and in publicity at ticket selling outlets.

If you buy a season ticket or add credit to your Oyster card with a cheque or debit/credit card that is not honoured, the season ticket or pay as you go credit will be invalid from the time it was issued or credit was put on your Oyster card. In such cases, we can charge you the appropriate full cash single fare for all journeys you make using the invalid ticket or Oyster card and we can stop the card.

6. Replacement Oyster cards and tickets

6.1 Replacement printed tickets. If your printed ticket is damaged or can no longer be read easily, or if it no longer works our ticket gates, we will replace it in accordance with the provisions of the National Rail Conditions of Travel.

6.2 Replacement Oyster cards. If your Oyster card is damaged or will not work on our yellow or pink card readers we may replace it free of charge. You may be able to do this at any London Overground, TfL Rail or Underground station, from an online account or by calling TfL Customer Services. You may be asked to give your name and address for administration purposes. Note that a One Day Bus & Tram Pass on Oyster will not be replaced.

If your Oyster photocard doesn't work when you touch it on a yellow card reader, it may be faulty. If there is no visible damage such as scratches, cracks or bends, call TfL Customer Services to get a free replacement. You may be asked to send in the failed card to confirm that it's faulty.

You can report your registered Oyster photocard lost, stolen or damaged online at tfl.gov.uk/photocard. Once reported, it will be cancelled and a replacement sent to you. You will need to pay an admin fee for a replacement.

If your Oyster card has a negative pay as you go balance, you will be asked to clear it before we replace your card.

If we issue you with a replacement Oyster card with a Travelcard on it and the original ticket was issued under National Rail's Conditions of Travel, then these Conditions of Travel will apply subject to you not suffering any loss as a result.

If your Oyster photocard or Oyster card with a discount set on it no longer works or is damaged, you should get the discount set on your replacement card.

6.3 Duplicate printed season tickets. If you lose a monthly or longer period printed season ticket, we can arrange for it to be replaced with a duplicate printed season ticket, provided that:

- You call TfL Customer Services as soon as possible
- You immediately return the lost printed season ticket to us if you find it

National Rail's Conditions of Travel will apply.

If you bought the ticket at a London Overground station ticket office, you can apply for a duplicate season ticket at any London Overground station ticket office. If you bought the ticket at a TfL Rail station ticket office, you can apply for a duplicate season ticket at any TfL Rail station ticket office. You may be asked to provide proof of purchase. You will need to buy printed tickets or use pay as you go whilst waiting for your duplicate ticket to be issued. We will not refund you for the period before you reported the loss of your printed ticket or if we do not agree to issue a duplicate. If it takes longer than five working days to issue a duplicate season ticket after you have reported it lost or stolen and we have verified your details, we will refund, assessed pro-rata to the original cost of the missing season ticket, for each additional day over the five days. When you apply for a refund, you will need to provide proof that you bought tickets or used pay as you go on each additional day.

If the loss of your printed season ticket is a result of theft, fire or other exceptional circumstances which have been reported to the police, the fire service or other appropriate organisation, you should be able to provide confirmation of the circumstances from the relevant authority on request eg a crime reference report from the police or a Victim Care Card

6.4 Duplicate season tickets and/or pay as you go on an Oyster card.

If you lose a registered Oyster card or it is stolen, you can apply for a new Oyster card with a duplicate season ticket and/or pay as you go on it from an online account or by calling TfL Customer Services. TfL's Conditions of Carriage will apply subject to you not suffering any loss as a result of this.

If you lose an unregistered Oyster card or it is stolen, we will not issue a duplicate or make a refund of any season ticket or pay as you go credit on the Oyster card at the time of loss/theft or make a refund of any additional fares paid following the loss/theft.

7. Penalty fares and fare evasion

If you do not touch in and out correctly, you may be charged a maximum fare which will not be included in any daily capping. You may also be liable to a penalty fare or you may be prosecuted.

A penalty fare of £80 applies on London Overground and TfL Rail services. This is reduced to £40 if paid within 21 days from the day the penalty fare notice is issued.

If you wish to appeal against a penalty fare, the appeals process is outlined on the penalty fares notice issued at the time. Details of who to contact about this and how to apply are shown in appendix 3.

If you are within the compulsory ticket area on London Overground and TfL Rail services or travelling on one of their trains without:

- a ticket that is valid and available for the journey you are making
- an Oyster card or other smartcard containing a valid season ticket
- a validated Oyster card or other smartcard, when you are paying as you go, showing a record of the start of your journey
- a validated contactless payment card

and we believe that you are trying to avoid paying the correct fare, you may be issued with a penalty fare or you may be prosecuted. If the court finds you guilty, you risk a fine or imprisonment.

If your contactless device runs out of battery and cannot be read, you may be charged a maximum fare, or you may be given a penalty fare or you may be prosecuted.

You may be issued with a penalty fare where you have not touched in, even if we subsequently resolve this incomplete journey fare using our automated processes.

Your Oyster photocard may be withdrawn if you do not pay any penalty fare that is issued to you.

8. Refunds and compensation

8.1 For information about delays and cancellations, check publicity at stations or go to tfl.gov.uk/status-updates

Under the Consumer Rights Act 2015, the train services we offer must be provided with reasonable skill and care. If the service you receive falls way below expected standards, you might be able to claim a full or partial refund. For general information regarding your rights when travelling on train services, visit [gov.uk/consumer-protection-rights](https://www.gov.uk/consumer-protection-rights) or <https://www.which.co.uk/consumer-rights/l/train-delays>

8.2 If we or our contractors fail to run the advertised bus or Tube services or if there are delays to those services, we may compensate you.

8.3 If your London Overground or TfL Rail journey was delayed by 30 minutes or more for reasons within our control, we will refund you the single pay as you go fare for the journey on which you were delayed. If you bought a paper single or return ticket we will refund the cash value for the delayed journey. You must apply online within 28 days of the delayed journey.

You must apply online and you will need to have an online account. In some cases, where you are unable to access the internet, we will accept claims made by you over the phone. We do not accept claims made by email.

8.4 If you choose not to travel, refunds are generally available on single and return tickets and Day Travelcards bought from a London Overground or TfL Rail station, provided the ticket is unused and is handed in before the day of travel. You can also get a refund for Travelcards and season tickets. An administration fee may be charged.

To apply for a refund, pick up a refund application form from a London Overground or TfL Rail ticket office. Complete the application form and hand it in with the ticket(s) to a London Overground or TfL Rail ticket office. Staff at our ticket offices will advise how your refund will be issued.

Refunds on tickets sold for use elsewhere on the National Rail network are made in accordance with the National Rail Conditions of Travel.

Refunds on Travelcards bought at London Overground or TfL Rail stations are made in accordance with the National Rail Conditions of Travel.

You can get a refund of the balance on your Oyster card at London Overground or TfL Rail stations. If the balance on your Oyster card is £10 or less, you can get a refund of it and any deposit at Tube station ticket machines. Once you have done this, your card will be stopped. Alternatively, sign into or up for an online account or contact TfL Customer Services.

8.5 If you make your journey but are delayed or have to pay additional or higher fares on alternative routes, for reasons outside our control, we will not give you a refund.

8.6 If you make your journey but are delayed, or have to pay additional or higher fares on alternative routes, as a result of planned or advertised service changes or engineering works, you are not eligible for a refund.

If you take an alternative route to your destination due to delays caused by reasons within our control, and you have to pay additional or higher fares, we may refund the difference in fares paid.

8.7 If when using pay as you go, you have touched your Oyster or contactless payment card on a yellow card reader but are unable to start or finish your journey because of service disruption, we will attempt to charge the right fare by automatically completing the journey. Otherwise you should sign into your online account after 48 hours to apply for a refund or call TfL Customer Services.

If London Overground or TfL Rail services are disrupted by strike action you may be eligible for a refund. Service delay refunds will be suspended during strike action.

8.8 If you have used pay as you go but have paid more than the advertised pay as you go fare, we will refund the amount overpaid provided you correctly touched in and touched out. Where possible, we'll do this automatically. Otherwise, after 48 hours, you should sign in to your online account or call TfL Customer Services. Claims must be made within 28 days of making the journey.

8.9 If you have a free travel concession, you are not eligible for a refund.

8.10 If we or our contractors fail to run the advertised London Overground or TfL Rail services or if there are delays to those services, we generally will not compensate you for any losses you may suffer as a result.

8.11 If your London Overground or TfL Rail journey was delayed for reasons within our control by 30 minutes or more, we will refund you the single pay as you go fare for the journey on which you were delayed. We will refund the cash value, for the delayed London Overground or TfL Rail journey, if you bought a paper single or return ticket. We may in some circumstances do this automatically so to apply, you should sign in to your online account after 48 hours. You must apply

within 28 days of the delayed journey. Find out how to apply for a refund at tfl.gov.uk/service-delay-refunds or call TfL Customer Services

8.12 You can't get a refund if your journey was delayed as a result of planned service changes and engineering work or for a reason outside our control, like:

- a security alert
- a customer incident, for example, a person ill on a train
- adverse weather conditions

9. Taking luggage, bicycles and animals with you

9.1 For safety reasons, and for the comfort of other passengers, we have to control what you can bring with you onto our trains and stations, although we do not charge you for the things we allow.

We accept luggage, animals and other articles in accordance with the National Rail Conditions of Travel.

9.2 If you have luggage, shopping, a folded buggy/pushchair, a shopping trolley, a folded bicycle or a scooter you must not put it on the seats or allow it to block the aisles, stairs, lifts or passages. On buses, unfolded cycles are not permitted.

9.3 You can take a folded bicycle with you on London Overground and TfL Rail services at all times. Note that a folded bicycle can have wheels of any size.

You can take an unfolded bike with you, but restrictions apply. You cannot take an unfolded bicycle on a moving escalator. Find out more at tfl.gov.uk/modes/cycling/cycling-in-london/bikes-on-public-transport

Unfolded bicycles are not allowed on replacement bus services.

9.4 You can take an assistance dog on our services. You can also take up to two dogs or inoffensive small animals, unless there is a good reason for us to refuse it (such as if the animal seems dangerous). You must keep it under control on a lead or in a suitable container, and must not allow it on a seat. Staff are not allowed to take charge of any animal.

9.5 If you bring an animal with you, you should use the wide gates or carry it through the gates. If you have an assistance dog, at stations where there is no wide gate, you must ask a member of staff to open a gate to allow you to enter or leave a station.

9.6 If you bring an animal with you, you must use a staircase or lift where provided. If there is no staircase or lift and you need to use a moving escalator, you must carry your animal unless you have an assistance dog that has been trained to walk on moving escalators. If your animal is too large to carry, a member of staff will stop the escalator to allow it to travel on it when it is safe to do so (generally outside the rush hours and when the station is not busy).

10. Using wheelchairs

10.1 We want to make travel on London Overground and TfL Rail services easier for everyone, including disabled customers and those with young children or buggies.

10.2 Information about the help that can be given to customers is available at tfl.gov.uk/transport-accessibility/

11. Lost property

11.1 How we handle lost property is laid down in the London Transport Act 1982.

11.2 If you find any lost property on our trains or stations, please tell a member of staff immediately.

11.3 If you lose something on London Overground or TfL Rail, you can go to tfl.gov.uk and complete an enquiry form, call 0343 222 1234 or visit the Lost Property Office at 200 Baker Street, London NW1 5RZ. The opening hours are 08:30 to 16:00 Monday to Friday (except public holidays).

11.4 A charge is made for the return of lost property.

Appendix 1 - Our ticket types and conditions

The tables below give information about the availability and validity of our most popular tickets, the rules controlling their use and any special conditions that may apply to them. For more information on fares and concessions, go to tfl.gov.uk/fares

As well as the ticket types shown in this Guide, we sell or issue other tickets that are subject to special conditions (as shown on the ticket or in supporting publicity). Where these special conditions conflict with the ones shown in this Guide, the special conditions apply instead.

In addition to any special conditions mentioned, all tickets issued for travel on London Overground and TfL Rail are subject to the National Rail Conditions of Travel.

If we introduce new tickets, photocards, products or ticketing facilities while this version of the Guide is in force, we will publish information about them separately until we re-issue this Guide.
